HOME SCHOOL: If student is home schooled - have evidence of completion of home schooling that clearly show credentials of achievement level.

ABILITY TO BENEFIT: A student who is beyond the age of compulsory education (16 and a 9th grade education), lacks a high school diploma or its equivalent, and has the ability to benefit from the education or training offered at an institution. The prospective student will need to provide a government issued ID showing proof of age and a transcript or other documentation clearly showing completion of the 9th grade. Admissions of Ability-to-Benefit Students

- In order to be admitted on the basis of his or her ability to benefit, a student shall complete either: a) Prior to admission, complete a nationally recognized, standardized, or industry developed test that measures the applicant's aptitude to successfully complete the program; or b) For courses and/or programs of 600

Evaluation of the validity of a High School Diploma

- Regulation 34 CFR 668.16 (p) requires Title IV schools to establish policies and procedures to confirm the authenticity of high school diplomas in the event that the school or the Secretary of the U.S. Department of Education has reason to question the validity of a student's high school diploma. The school may require further documentation in the form of a certified copy of final high school transcripts for the high school in question or
- Information from a company that evaluates foreign diplomas (in the case of a foreign diploma) and translate them into English. Mosley School of Cosmetology will then confirm that the student is eligible for Postsecondary instruction. Student self-certification is not considered sufficient proof of validity. In addition to checking online for further information about the school issuing the diploma and its accreditation, the school may also contact the Department of Education in the state in which the diploma was issued to determine if the school listed on the diploma is on the state list of recognized schools.
- The school maintains a list of known diploma mills for the admissions staff to check when receiving a diploma from an unknown and questionable source. It is understood that this list may not be all inclusive as there are hundreds of diploma mills, some known and some not currently known. It is also understood that the list of schools in the FAFSA drop down box online does not guarantee that a high school is legitimate. The school makes every reasonable effort to verify the validity of questionable high school diplomas.

GRADING AND STUDENT PROGRESS REPORTS:

Theory and Practical work is graded as it is completed. The following grading system is used for all tests, practical work, and projects assigned:

96% to 100% Excellent

80% - 90% Satisfactory

91% - 95% Very Good

79% and below Needs Improvement

Practical work is evaluated by each student's ability to show competence for an entry-level position based on National Standards. (Provided by Milady Standard Course Management Guides) Progress reports on attendance and academics are completed per the satisfactory academic progress policy. This is an evaluation of completed daily MPAs, YTDs and weekly theory tests. One copy is given to the student and one copy is placed in the student's file. Grade sheets are also completed and kept in the student's file as part of their permanent records. Cumulative progress reports are maintained in a permanent file as per State Board regulations. The evaluation includes grades from theory tests, competencies, attendance percentages, and MPA/YTDs. Students (and parents/guardians of a dependent minor student) are permitted to review all personal records at an appointed time with the supervision of the Director's Office or the Instructor Supervisor. Please refer to the **FERPA Policy**.

FERPA

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Exceptions to the above rule are:

School officials with legitimate educational interest.

Other schools to which a student is transferring.

Specified officials for audit or evaluation purposes.

Appropriate parties in connection with financial aid to a student.

Organizations conducting certain studies for or on behalf of the school.

NACCAS staff, commissioners and evaluators for NACCAS.

U.S. Department of Education.

Persons who need to know in case of health and safety emergencies.

State and local authorities, within a juvenile justice system, pursuant to specific state law.

Subpoenas by court order.

Parents or eligible students have a right to inspect and review their records at any time during normal business hours. Records must be inspected in an administrative office and will not be taken to any other area of the school or leave the school building. Parents and eligible students have the right to request an amendment of their records and if denied may make a written request for a hearing.

Records will include, but not be limited to:

Required enrollment applications and supporting documents.

Progress reports.

Student financial aid reports.

Payments and tuition evaluation data balances; and

Other evaluation data.

Student school records are safeguarded and maintained in fireproof file cabinets. Student academic records are kept in files located in the administrator offices.

Parents of dependent minor students may obtain additional copies of documents for a fee of \$5.00 per copy. Student school records are maintained for a minimum of six years.

Mosley School may disclose directory-type information such as name, address, telephone number, date and place of birth, honors and awards, and dates of attendance and attendance percentages. Parents or eligible students may opt out by completing a Mosley School "opt out" form at any time.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

1. Satisfactory progress in attendance and academic work is a requirement for all students enrolled at Mosley School of Cosmetology. This policy is provided to applicants prior to enrollment. It is applied consistently to all students enrolled in a specific program and scheduled for a particular category of attendance (part-time/full-time). It covers all periods of enrollment.
2. **ATTENDANCE PROGRESS - Quantitative**

Students must maintain an 80% cumulative average in attendance to be in satisfactory attendance progress. A leave of absence will extend the student's contract period and maximum time frame by the same number of days in the leave of absence. Students will return to the school in the same status which they departed.

MAXIMUM TIME FRAME¹: The maximum time frame a student has to complete a course study is 125% of the number of months listed on said contract. A student who exceeds the maximum time frame shall be terminated from the program and would thereafter be permitted to re-enroll in the program on a cash-pay basis.

PACE: All students must maintain an average cumulative attendance level of *at least* 80% of the scheduled hours. For example, a student scheduled to complete 25 hours per week would have to maintain an average weekly attendance of at least 21.25 hours per week (80% x 25 = 20).

Definition of an Academic Year is 900 hours/30 weeks

PROGRAM (all "HYBRID" programs are proposed programs)	HOURS	WEEKS	MAXIMUM TIMEFRAME HOURS	MAXIMUM TIMEFRAME WEEKS
Cosmetology Hybrid Cosmetology	1500	43	1875	54
Nail Technician Hybrid Nail Technician	400	12	500	15

Esthetician Limited Instructor Hybrid Esthetician Limited Instructor	300	9	375	12
Nail Technician Limited Instructor Hybrid Nail Technician Limited Instructor	300	15	375	19

3. **ACADEMIC PROGRESS – Qualitative**

Students are evaluated in theoretical performance by means of a written exam. A written exam follows each unit of theory study. At 80% a student is required to be considered a passing grade

¹ A student whose attendance rate is 66.67% would complete within 150% of the program length; however, we require an attendance rate of 80% to complete within 125% of the program length.

on each written exam. Students are evaluated in practical skill development throughout the entire course of study based on criteria that are converted to a percentage grade. The Student Salon client services are not factored into the GPA.

4. **Grading Scale**

Theory and Practical work is graded as it is completed. The following grading system is used for all tests and projects assigned:

96% to 100%	Excellent
95% - 91%	Very Good
90% - 80%	Satisfactory
79% and below	Needs Improvement

All students are required to achieve a cumulative academic average of 80% in order to be considered satisfactory.

5. **DETERMINATION OF PROGRESS (SCHEDULED hours)**

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students deemed not maintaining Satisfactory Progress may have Title IV funding interrupted, unless the student is on warning. CHBC is required to notify students of any evaluation that impacts the students' eligibility for financial aid. Students over the max time frame for course completion will not be eligible for Title IV funding and will be dropped from the program. The evaluations must be completed within seven (7) school business days following the established evaluation periods.

6. Students meeting the minimum requirements for attendance and academic progress will be considered to be making satisfactory progress until the next scheduled evaluation. Students must meet both the cumulative attendance (80%) and cumulative academic (80%) minimum requirements on at least one evaluation by the midpoint of an academic year or midpoint of the course, whichever comes first.
7. **WARNING:** Students who fail to meet the minimum requirements for attendance or academic progress will be placed on warning until the next evaluation point and are making Satisfactory Academic Progress and will still be eligible for Title IV funding during the warning period. The student will be advised in writing on the actions required to attain Satisfactory Academic Progress. If at the end of the evaluation period, the student still has not met both the attendance and academic requirements, he/she will be deemed ineligible to receive Title IV Benefits. Students will be notified within 10 days after Warning payment period is reviewed.
8. **RE-ESTABLISHMENT OF SAP**
- A student can re-establish satisfactory academic progress by achieving a cumulative 80% attendance and/or a cumulative 80% academic rate. Only students in the Cosmetology program can appeal their ineligibility status for Federal Student Aid.
9. **PROBATION**
- A status of probation is allowed if:
- The student appeals their ineligibility status and their appeal is approved.
 - The student did not meet the minimum standards of satisfactory academic progress after the warning period; and

- c. The student prevails upon appeal of a negative progress determination prior to being placed on probation; and
- d. The institution determines that the satisfactory academic progress standards can be met by the end of the subsequent evaluation period; or
- e. The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student.

10. APPEAL

A student in the Cosmetology program may appeal a satisfactory academic progress determination as follows:

- a. The student must specify the reason(s) for the appeal such as the death of a relative, an injury or illness of the student or other allowable special circumstances;
- b. The student must submit documentation regarding why he or she failed to make satisfactory academic progress and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation.

All results of the appeal are documented in the student's file and the student is notified of their Appeal status within 10 days.

- 11. A student who does not achieve the minimum standards of satisfactory academic progress is no longer eligible for Title IV, HEA program funds², if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.
- 12. The school will notify the student of any evaluation that impacts the student's eligibility for financial aid, if applicable.

13. LEAVE OF ABSENCE AND RE-ENTRY INTO THE INSTITUTION

A student returning from a leave of absence or other official interruption of training must return to the school in the same satisfactory or unsatisfactory progress status as prior to the leave. A leave of absence will extend the student's contract period and maximum time frame by the same number of days in the leave of absence.

14. COURSE INCOMPLETES, REPETITIONS, NON-CREDIT REMEDIAL COURSES

Course incompletes, repetitions and non-credit remedial courses have no effect on satisfactory academic progress.

15. TRANSFER HOURS

Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determination when the allowable maximum time-frame has been exhausted. SAP Evaluation periods are based on actual contracted hours at the school. **FEDERAL FINANCIAL AID**

The Federal Pell Grant and Federal Direct Loans are an important source of aid for students. The amount of the award depends upon the determination of the student's eligibility based on the U.S. Department of Education guidelines. Pell grants do not have to be repaid.

Financial need is based on an analysis of information provided by the student on a Free Application for Federal Student Aid (FAFSA) form.

WHO QUALIFIES FOR FINANCIAL AID

To be considered eligible for and receive Title IV aid, a student must meet the following specific requirements:

- Be a U.S. citizen or eligible non-citizen
- Be a "regular student" – that is, enrolled in an eligible program that leads to a degree, certificate, or a degree-with- transfer program
- Not be enrolled simultaneously in elementary or secondary school Have a valid Social Security Number
- Sign a Statement of Educational Purpose certifying that federal student financial aid will only be used to pay educational costs
- Not be in default on a Title IV loan; or if in default, have made satisfactory repayment arrangements with the loan holder
- Not have obtained loan amounts that exceed annual or aggregate loan limits made under any Title IV loan program
- Have completed repayment of funds to either Department of Education or the holder of a loan, if applicable
- Not have been convicted of, or plead nolo contendere or guilty to, a crime involving fraud in obtaining Title IV aid Not be liable for an overpayment of a Title IV grant

APPLYING FOR FINANCIAL AID

The application process used by the School to perform the need analysis is the Free Application for Federal Student Aid (FAFSA). The FAFSA can be completed online by logging on to

www.fafsa.gov. When completing the FAFSA, please use the Federal school code Number: 043138.

A student's income tax form (if filed) and/or parent's tax form(s) for the appropriate year are needed to complete the FAFSA. Students are encouraged to use the IRS Data Retrieval Tool when completing the FASFA. This tool allows students and parents to access the IRS tax return information needed to complete the FASFA and transfer the data directly to their FASFA. If students need a copy of their tax return, they can call 1-800-829-1040 and request IRS tax transcript or go to the IRS website at www.irs.gov.

All students requesting federal loans must complete an Entrance Counseling and a Master Promissory Note (MPN) which can be found at <https://studentloans.gov>.

The student will also need to meet with a Financial Aid representative to fill out the Financial Aid forms and provide documentation for information entered on their FAFSA.

STUDENTS RESPONSIBILITIES WITH THE OFFICE OF FINANCIAL AID

Protecting, maintaining, and renewing financial aid is a very important responsibility for all students. A student's financial aid responsibilities include the following:

- Acknowledging and meeting all deadlines for applying reapplying for Financial Aid Providing complete and accurate information on the FAFSA and financial aid forms.
- Responding to all requests for additional documentation in a timely manner
- Providing updated information when changes occur such as a withdrawal from Academy, a change in enrollment status, name, marital status or expected date of graduation
- Being in good Academic Standing with the School as well as maintaining Satisfactory Academic Progress (SAP) Reading all documents, the Office of Financial Aid sends to the student

Misreporting information for Federal Financial Aid is a violation of the law and is considered a criminal offense.

ADVISING/FINANCIAL COUNSELING:

The Administration and Instructors are available to advise and provide feedback to all the students in the areas that pertain to their training in the classroom and Student Salon performance, attendance, appearance, and developing a professional attitude. Personal advising by the Administration is available to all students during their training.

STUDENTS' RIGHT TO PRIVACY:

Return to Title IV (R2T4) for Federal Student Aid

The law specifies how a school must determine the amount of Title IV program assistance that a student earns if he/she withdraws from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Direct Student Loans, PLUS Loans, and Federal Supplemental Educational Opportunity Grants (FSEOGs).

All R2T4 calculations are completed within 30 days from the Date of Determination (DOD) and all refunds back to the US Department of Education are returned within 45 days from the DOD. Any credit balances currently on the students account, will be disbursed within 14 days of withdrawal.

Order of Returns

- Federal Direct Unsubsidized loans
- Federal Direct Subsidized loans
- Federal Direct Parent Loan for Undergraduate Students (PLUS)
- Federal Pell Grant

When a student withdraws during the payment period the amount of Title IV program assistance that he/she has earned up to that point is determined by a specific formula. If the student received (or the school or parent received on the student's behalf) less assistance than the amount that the student earned, the student may be able to receive those additional funds. If the student received more assistance than he/she earned, the excess funds must be returned by the school and/or the student.

The amount of assistance that the student has earned is determined on a pro-rata basis. For example, if the student completed 30% of the scheduled hours in their payment period, the student earns 30% of the assistance he/she was originally scheduled to receive. Once the student has completed more than 60% of the scheduled hours in his/her payment period, the student earns all the assistance that he/she was scheduled to receive for that period.

If the student did not receive all the funds that he/she earned, the student may be due a Post withdrawal disbursement. If the Post-withdrawal disbursement includes loan funds, the academy must get the student's permission before it can disburse them. The student may choose to decline some or all of the loan funds so that he/she doesn't incur additional debt. The academy may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). If the student is eligible for any post-withdrawal disbursements, they will be notified in writing of that eligibility within 30 days. All post-withdrawal funds are credited to the students account first and any resulting credit balance will be disbursed within 14 days of the credit being created.

The school needs the student's permission to use the post-withdrawal grant disbursement for all school charges over and above Tuition and Fees.

There are some Title IV funds that the student was scheduled to receive that cannot be disbursed to him/her upon withdrawal because of other eligibility requirements. For example, if the student

is a first-time borrower for student loans and has not completed 30 days of school. That student would not be eligible for any student loan disbursements.

GRADUATION REQUIREMENTS:

Students must completed contracted hours, complete Minimum Practical Applications in each respective course and a passing grade of 80 % in all subjects. All tuition, fees, and additional charges must be paid in full prior to the required Pre-State Board Exams. Upon completion of the previously mentioned requirements, a Certificate of Completion is awarded.

PLACEMENT SERVICE:

A placement service is continuously maintained to help graduates find employment. As long as graduates remain in the beauty industry, or return to it, the employment service is available to them. The school will provide the student with placement assistance consisting of identifying employment opportunities and advising the student on appropriate means of attempting to realize the opportunities. Cosmetology schools are prohibited by law to guarantee employment. The student understands that the school has not made and will not make any guarantees of employment or salary upon graduation.

GENERAL SCHOOL POLICIES/RULES AND REGULATIONS

CLOCKING PROCEDURES/TARDY POLICY:

All students are expected to clock prior to their scheduled time. Students who do not arrive within 15 minutes after class starts will not be allowed to clock in until after theory concludes. Students are required to clock in and out at the computer located in the Reception area. Hours are calculated by using full 15 minute increments. Student Salon students are required to go directly to their work stations upon clocking in. Tardy Student Salon students are required to check in with the Student Salon Instructor upon clocking in for the day. A student caught changing their own hours, having another student clock them in or out, clocking a classmate in or out, or being off the campus while clocked in, will face disciplinary action and may be found guilty of time card fraud. Students must clock out and in for lunches. In addition to scanning your time card, all students are required to sign in on the attendance sheet. This is the back-up system, and can support your hours - so don't forget. If you lose your name tag with the scan bar, you may be required to pay \$5.00 to replace your name tag/scan bar. Below is the break and lunch timetable as required by the Labor Board and State Cosmetology Board:

Up to 5.25 hours = 15 minute break or lunch without punching out

5.5 hours up to 6.75 hours = ½ hour lunch off the clock (one 15 minute break on the clock)

7.0 hours up to 8 hours = 1 hour lunch off the clock (two 15 minute breaks on the clock)

Failure to abide by the scan-in policy may result in being excused for the day, resulting in lost time. We encourage Junior students to attend during their scheduled hours in order to not miss any vital information covered during class time.

It is our desire to limit classroom distractions during the training being presented to the students. Junior students are not allowed in the Student Salon during operation hours. Senior students are not allowed in the Junior classroom during operation hours. Occasionally, Senior students may be allowed to join a Junior classroom in the capacity of peer coaches or to observe a demonstration or theory lesson deemed necessary for their training.

LOCKERS:

Students are assigned lockers that are located in the designated area. Students must supply their own lock – either a combination or keypad lock is permitted. A spare key or the combination must be supplied to Mosley School of Cosmetology. Only one locker per person will be allowed. Please do not keep food or drinks in your locker. Random locker inspections can be expected. Make sure you **LOCK** your locker. Mosley School of Cosmetology is not responsible for items left in lockers that are not locked.

MONTHLY ATTENDANCE CALENDARS:

Monthly attendance calendars are required the last week of each month. The calendar serves as an attendance contract between the student and Mosley School of Cosmetology. The calendar is subject to approval and requires the signature of the Instructor Supervisor. The signature signifies that the calendar has been approved and meets the student's required attendance agreement found in the Student Enrollment Contract. The clinic student's calendar must meet the Student Salon/client needs and follow the clinic guidelines. Mandatory attendance days will be noted on the calendar and the student will be charged \$8.53 per hour for each hour missed on the mandatory attendance day. (This is in accordance with the Student Enrollment Contract and above contract costs)

ALL CHANGES TO THE ATTENDANCE CALENDAR MUST BE APPROVED IN WRITING BY THE INSTRUCTOR SUPERVISOR.

CALL-IN POLICY:

Failure to show up or call will result in a NO CALL/NO SHOW charge of \$20.00 (above contract costs).

ALL MISSED TIME IS DEDUCTED FROM PERSONAL TIME ALLOTMENTS.

PERSONAL TIME:

Each student is allowed hours that they may use in the event of a pre-planned vacation or any other short absence. Vacations and scheduled time off must be submitted to the office in writing 2 weeks prior to the scheduled time off being requested. In the event of an illness, documentation is required from the treating doctor in order not to count against the student's personal time. **Please note that failure to call will result in a charge of \$20.00 (above contract costs).**

Allotted Personal Hours:

In lieu of having an excused/unexcused absence policy, you are allotted personal time for whatever absence is needed. Once those hours are exceeded, the absences are charged per the over-contract fee noted under ADDITIONAL CHARGES.

ADDITIONAL CHARGES:

Overtime charges will be assessed when the personal hours are exhausted. The cost is **\$8.53 per hour**, billed at the end of each session and **MUST** be paid before Pre-State Exams will be administered. **NO STUDENT WILL RECEIVE A TRANSFER WITHOUT PAYING ALL MONIES DUE INCLUDING OVERTIME CHARGES. NO STUDENT WILL RECEIVE A COURSE COMPLETION CERTIFICATE WITHOUT PAYING ALL MONIES DUE INCLUDING OVERTIME CHARGES.** Note that Federal Financial Aid cannot be used to pay for any overtime charges.

Other charges are: Replacement Name Badge: \$5.00; Additional Manikin Head: \$45.00; additional Manikin Hand: \$15.00 (with stand); additional Manikin Hand: \$10.00 (without stand); Smock: \$25.00; 31-Day Bus Pass: \$40.00; \$500 Technology Fee (proposed distance education courses only).

LEAVE OF ABSENCE POLICY:

A leave of absence may be granted **at the discretion of the Administration**. An authorized leave of absence (LOA) is a temporary interruption (i.e., illness, caring for a family member, planned vacation, etc.) in a student's program of study and refers to the time during a program when a student is not in attendance. An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA. If a student desires to take a leave of absence from his/her studies, then the following procedures must be followed in requesting the LOA:

1. All requests must be submitted to the Admissions Office in writing prior to the needed time off, unless unforeseen circumstances prevent the student from doing so.
2. The request forms are available in the Administration office and must be signed and dated by the student requesting the LOA and by the Administrative officer.
3. The request must specify the reason(s) for the leave and include the student signature;
4. There must be a reasonable expectation that the student will return from the LOA;
5. The time allotted a leave of absence is no less than 14 calendar days to 180 calendar days The LOA together with any additional leaves of absence must not exceed a total of 180 days in any 12-month period;
6. Approval of the request for an LOA is in accordance with the school's policy;
7. In the event the student cannot make the request in advance (i.e., due to a car accident or other unforeseen circumstance), then the school may still allow a leave. The beginning of the leave will be determined as the first date the student was unable to attend the institution because of the unforeseen event and an end date will be noted that will not exceed the 180 day maximum. All rationale for the LOA will be documented by the school in the file and the official request will be collected from the student at a later date;
8. A contract addendum will be written to acknowledge the leave and there will be a new contract end date stipulated that will reflect the same number of calendar days as the LOA. This addendum must be signed and dated by all parties.
9. The maximum time frame will also be extended by the same number of calendar days in the leave of absence.
10. No additional charges will be assessed as a result of the leave of absence;

11. A student granted an LOA that meets the policy criteria is not considered to have withdrawn and no refund calculation is required at that time.
12. A student who takes an unapproved LOA will be terminated or if a student does not return from a leave of absence, he or she will be terminated effective the documented date of return and the school refund policy will go into effect. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

WITHDRAWAL POLICY:

A student wishing to withdraw from their enrolled program must provide a documented statement to that effect. Additional information regarding the student's financial obligations will be discussed and explained by the Administrative Officer. If the student fails to meet with the Administrative Officer, the withdrawal information will be mailed to the student. This information includes the exit information packet and a summary of the student's financial obligations.

KIT POLICY:

Your kit contains all the equipment you will need during your training period. Each student is responsible for the care and upkeep of their kit. Additional items that are professional in nature may be added to the kit at the student's expense. Items that are on the Kit Inspection Sheet are required items and are part of your "uniform." In other words, the kits must be in good working order and all items must be brought to and from school daily. Random Kit inspections can be expected. Failure to have the required items in the school can result in being sent home for the day, or to retrieve the missing items resulting in lost time.

It is in the student's best interest to take their kit home with them daily, rather than leave the kit in the building. Mosley School of Cosmetology is not responsible for any kits, books, tools, or personal items of any kind the student leaves unattended on the premises. Any missing items from the kit must be replaced by the student at their own cost. Some items may be purchased from the Student Store.
